Dear Leaders,

I know this comes as a late notice, and for that I apologize. We will be moving the July 14th - 18th, Day Camp from the Lewisburg park to the Shikellamy State Park in Sunbury. We have become aware of some safety risks at previous location, due to these issues we cannot keep the location the same. Our reason for moving the camp is for the Safety of your boys. We hope that you understand our circumstances, and we are looking forward to a great Day Camp this year! Please feel free to contact me with any questions or concerns!

Yours in Scouting,

Jeremy D. Miller,  
Senior District Executive
